Class Description:

Ballet: Classical technique dance class, Russian Vaganova style with French terminology.

Jazz: a rhythmic dance form, filled with head and hip gyrations, kicks, leaps and turns; most commonly used in Broadway choreography.

Tap: a form of dance characterized by using the sounds of tap shoes striking the floor as a form of percussion.

Hip-Hop: street dance style primarily performed to Hip-hop music which includes a wide range of styles such as house, breaking, locking, popping, crumping, etc.

Acro/Tumbling: Gymnastic movements are taught, students focus on flexibility, leaps, jumps and acrobatics.

Youth Dance Ensemble: Students audition to join the Living Arts youth dance ensemble. Members perform in dance concerts, events, and participate in international studies abroad.

Mommy & Me: Students are introduced to dance with their favorite person, a parent helps them throughout class; great way to transition students into dance classes.

African Dance: West African cultural movement styles and music. All ages are welcome to participate, no experience needed.

Horton: dance technique which emphasizes a whole body anatomical approach to dance that includes flexibility, strength, coordination and body special awareness to enable freedom of expression.

Turns & Leaps: Technique class which focuses only on turns and leaps, students must have knowledge of Ballet and Jazz terminology and fundamentals.

Teen Hip-Hop Mentoring: Girls ages 13- 19 study Hip-hop dance, and are guided with college prep, financial literacy, social coping techniques & more!
